

Ord.-Nr.: 80215

Inline soldering station

ST 802

INLINE SOLDERING STATION

MADE IN GERMANY

Technical Data:

- Operating Voltage: 230V- 50 Hz
- Performance: 80W
- Temperatur approximately 150 - 450°C
- Heating control via LED
- Potential equalisation socket

Delivery capacity:

- Soldering Station ST 802
- Soldering Iron 24V/80W
- Iron Stand
- Hammer Tip 81075 inkl. inserts
- Soldering tip chisel shape 5.0
- Instruction manual
